

## **WNB Timbers - SCHOLARSHIP APPLICATION/CONTRACT**

WNB TIMBERS makes scholarships available to each team for players who need financial assistance in order to participate in WNB TIMBERS. When the league provides scholarships to athletes, the league requires that the parent(s) and/or athlete participate in all League and team fundraising activities as well as volunteer at the League and team level. Volunteer activities may include Jamborees, Home Games, Tryouts, trash collection at the fields, assisting with field maintenance and lining of fields, team manager, or other team responsibilities. Fundraising activities may include car washes, raffle ticket sales, and any other fundraiser in which the team or League participates.

The WNB TIMBERS Scholarship Policy is as follows:

1. WNB TIMBERS will make scholarship/s available to each team in the League.
2. Scholarship applications must be signed by parent, player's coach and league president and submitted to the League Treasurer. **They must be returned with copies of last years' taxes, bank statements and 2 months' check stubs.**
3. Scholarship players/families must provide 8 hours of volunteer time / month in return for a full scholarship. Partial scholarship volunteer time will be prorated. For example, a half scholarship will require 4 hours of volunteer time / month. Volunteer hours may be completed by the parent, player, or other individuals on behalf of the player/parent.
4. A report of volunteer hours completed must be made monthly by the parent to the team manager, even if there has been no hours performed in that month. Any family not reporting will have their player's pass pulled by the League and he/she will not be able to play until the report is made.
5. If volunteer time is not completed by the end of the League's season, a warning notice will be sent advising the family that the player will be placed in bad standing with the League.
6. If despite the above penalties, volunteer hours are not completed by November 1<sup>st</sup> of the seasonal year for which the scholarship was awarded, we will begin proceedings to have the player placed in bad standing with CA Youth Soccer Association. Being placed in bad standing means that the player will be unable to register and play with any CYSA affiliated League in CA until they repay the scholarship amount and any monies owed to an individual team.
7. If volunteer hours are not completed during the seasonal year, the player will be ineligible for future scholarships from WNB TIMBERS.

I have read and agree to follow the above policy of the WNB TIMBERS.

The League can only provide a limited number of scholarships to children in WNB TIMBERS due to budgeting constraints. When possible we prefer to give half scholarships so that we can help more children. •Are you requesting a full or half scholarship? \_\_\_\_\_

•If a scholarship is awarded to the athlete listed in this application will you be able to complete the required volunteer hours and report them monthly to the league treasurer? \_\_\_\_\_

•Is there any other information that you would like to be considered during the review process?
