Financial Aid

The club includes an amount in its price to fund financial aid for those who demonstrate a need via an application. The application for financial assistance can be obtained after a player has been selected to join a team, and it is completed while completing the mandatory registration program to officially join the club. The application must be submitted with the required accompanying documentation. Please ask the coach or any club official for an application for financial assistance or applications can be found on our website under the forms section at: <https://northbayysl.com/teams/ac-marin-forms/>

If awarded, players pay reduced club fees, and an award is calculated as a percentage of the player's estimated club fees. It is expected that any family receiving financial aid will do volunteer hours for the club and/or take on a club role. The maximum award granted is 50% of club fees for the most deserving. **The financial aid must be returned if a player leaves his or her team before the end of the season. Meaning you will be charged the entire year at full cost.**

Playing Time

AC Marin is a competitive club. We do our best to make sure every player has a great experience but playing time is not likely going to be equal for all players. AC Marin policy does not guarantee a specified amount of playing time for the competitive team player during league or tournament play.

As a parent I commit to the following:

Any delinquent account is referred to a collection agency for resolution; an additional fee will be added to the balance owed to cover collection agency administrative fees.
4. I will share in any additional team expenses, which include tournaments, coaches' expenses, etc. above and beyond the club fee, uniform fee and team events fee should they arise.
5. I understand that if I am accepted into a financial assistance program, that makes me responsible for volunteering time to help support the club sponsored events.
